Limited Lifetime Warranty on Cabinetry

This warranty covers only parts and materials of the products supplied by DL Cabinetry

This warranty does not cover products that are missed used, abused, mishandled, improperly installed, improperly stored, changed, modified or subject to extreme temperatures or extreme moisture levels. This warranty is not valid for products that are used for any other purpose for which they were originally intended. This warranty does not cover the cost of installation, removal, subsequent damage or transportation of the defective product, regardless of whether the work was performed by a contractor, service company or consumer.

Should defects in materials or workmanship exist during the applicable warranty period, DL Cabinetry will elect at its discretion to either repair or replace the defective material or component free of charge.

Natural woods may vary in color, characteristics, and exhibit subtle changes as they age. Sunlight, smoke, household cleaners and other environmental conditions may also affect the color match over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are NOT covered under this warranty.

This warranty shall become void if the cabinets are in any way modified, improperly installed or damaged prior to or during the installation.

Situations NOT covered under this warranty include hairline splints in the paint of any painted cabinet, countertops, appliances, plumbing fixtures, ect. This warranty also does not cover the cost (including labor), to remove and reinstall materials and related components such as fittings, appliances, ect.

This disclaims products utilized in any application other than the standard. Furthermore, this warranty will NOT apply to cabinets damaged by misuse, neglect, abuse, acts of nature, exposure to moisture, exposure to extreme temperatures, the effects of normal wear and tear, or user error.

We reserve the right to alter design, specifications and material without obligations to make similar changes to products previously manufactured.

Any repairs or replacements will be based upon the current product offerings of styles and construction options offered by DL Cabinetry at the time of the warranty claim. If the warranty claim is filed after the product becomes obsolete, we reserve the right to honor the warranty by:

- Replacement of the affected component with a new component style of the same style
- Replacement of the affected component and any other component(s) in the residential application to achieve a uniform appearance with a similar and comparable product style of the originally purchased style.

- If the components are replaced, it is not guaranteed that the finishes of these replacements will exactly match the finish and appearance of the original components due to changes that may occur during the natural aging process of wood that can affect its color and grain.
